QUESTIONARE:	
Why do you want a Labrador? Pet/Companion Dog/ Other?	
Are you familiar with the Labrador breed and have you owned a Labrador previously/currently?	
Are you intending to breed with the Labrador?	
Are you prepared to take the puppy to puppy socialisation classes and follow up with basic obedience classes?	

Are you interested in showing your dog or participating in field trails or other disciplines?	
What is your preference regarding the sex of the puppy?	
Do you have a colour preference?	
What is your second choice regarding sex and colour if your first choice is not available?	
Do you own other dogs? Please mention their breed, sex, age and if spayed/neutered	
If you have children, how old are they?	
Are your property enclosed and a safe playground for the puppy?	
If you have a pool, is it covered or closed off?	
Is somebody at home all day/most of the day?	

Please Note: We sell our puppies subject to breeding restrictions to ensure that dogs/bitches with hip and elbow scores below breed average are not used for breeding purposes or put to stud.

Breeding Restrictions will only be lifted under certain conditions, including that dogs are over the age of 1 year and bitches are over the age of 2 years and that hip- and elbow x-rays were done at the age of 1 year old and the results of these tests are favourable for future breeding.

In case you intend to breed to the puppy when grown, please attach the following:

1. Your own Kusa membership number;
2. Your Kusa affix (registered kennel name)
3. Scanned copies of the Kusa registration papers of your current Labradors, as well as hip- and elbow results of x-rays done. Also please mention the PRA and EIC status of your breeding dogs/bitches.
